

Dear Guest,  
We're happy you're visiting the Swedish Cultural Center today. We're re-energizing the club and revitalizing the building in order to establish a vibrant Swedish-oriented community in the finest setting for a clubhouse in Seattle. We'd love to hear your feedback.

Please tell us about your experience with our building, our staff and our programs. We'd love suggestions for how to further improve what we've started. Our members and guests are the heart of the Swedish Cultural Center and we want to be the best we can possibly be—for you. Thank you for completing this form and mailing it or dropping it in the box in the lobby.

Sincerely,

Karl Larsson  
President of the Board
